

BUCKLEBURY

Farm & Deer Safari Park

Bucklebury Farm Park is a beautiful venue for your farm wedding in the heart of the Berkshire countryside. Stunning views over the Pang Valley, magical sunsets, and tons of outdoor space mean it's a venue like no other.

We offer a wedding venue for your marquee wedding where you can choose exactly the type of day you want. There are no formal packages and your wedding can be a real reflection of you as a couple with options including DIY to fully catered events where we organise your day for you.

You can pick your own marquee, catering and entertainment so we help ensure your day is tailor-made to your specifications.

The unique nature of the farm and safari park means we can be very flexible – perhaps a tractor ride for the bride and groom's arrival, outdoor games, farm yard visits, a firepit and fairy lights, dancing under the stars....
